

In 2022, the Foellinger Foundation (Foundation) renovated its office space in part to be a community resource for charitable nonprofit groups to come together and meet. To maintain the beautiful facility and make it available to as many groups as possible, the Foundation has established the following guidelines. The Foundation reserves the right to revise these guidelines at any time. Please ensure you are always referencing the most recent version.

General Information

Meeting rooms will be available only to Allen County 501(c)3 nonprofit organizations, not individuals, for business-related meetings. Parties, religious services, sales solicitations, etc., are not permitted. In addition, the grounds of the Foundation cannot be used for events where the primary purpose is fundraising (i.e., car washes, rummage sales, galas, silent auctions, gambling events, etc.).

The reserving nonprofit organization must be the primary facilitator of the meeting. Local 501(c)3 nonprofit organizations are not permitted to reserve the meeting space on behalf of another organization or entity.

Meeting space is located in the lower level of the Foellinger Foundation and is ADA accessible via an elevator. ADA parking spaces are available in addition to an ADA compliant drop-off area at the main entrance.

Parking is limited and is available on a first-come, first-served basis. Organizations are prohibited from charging for parking space for any event on the Foundation's premises.

Availability of Meeting Space

The meeting room space is available to local 501(c)3 nonprofit organizations, without charge, Monday through Friday between 9:00 am and 4:00 pm. All meeting participants must leave the Foundation by 4:00 pm. Meetings must not incur costs and/or liability to the Foundation (i.e., phone charges, catering, etc.). When requesting meeting space, organizations should allow for additional time to set up before their meeting and clean up after their meeting. *Room set up and clean up is the responsibility of the organization.*

Contact the Foundation at reservations@foellinger.org or 260.422.2900 if you have any questions about these guidelines or the use of the meeting room space.

We strive to offer our space as a resource to as many organizations as possible. To optimize availability, once your organization reserves a space 12 times in one calendar year, we may prioritize requests from other organizations depending on demand and room availability. And our staff will contact you as needed.

Reservations for the meeting space will be made with the following guidelines:

- The meeting space will be available on a first-come, first-served basis.
- Please submit a reservation request at least 48 hours prior to the meeting date. If urgent needs arise with less than 48-hour notice, please call 260.422.2900 and the Foundation will do its best to accommodate your organization's reservation request.
- Reservation requests for the upcoming calendar year can be made on or after October 1.
- Reservations must be made through the Foundation's website. Once we receive your request, we will confirm your reservation via email.

In the event the Foundation closes due to inclement weather, an emergency, power failure, etc., the Foundation reserves the right to cancel a scheduled meeting. If the Foundation closes, a representative from the Foundation will contact either the primary or secondary meeting contact listed on the organization's room request form. It is the responsibility of the organization to contact the meeting participants regarding a cancellation. The Foundation will work with you to reschedule your meeting for the earliest available date.

Room cancellation is required via email as soon as possible prior to the meeting date and time. Failure to notify the Foundation may prevent the organization from future use of meeting rooms.
